Release of Information: The information released may be obtained from the medical record of Access Community Health Centers. It may be obtained from multiple paper-based or electronic-based forms (as applicable). It may include data elements from outside sources that are embedded in tables and documents. Copies released from Health Information Management include medical records only.

Sending Authorizations to Access Community Health Centers: Authorizations for Access Community Health Centers can be mailed to Access Community Health Centers, Attn: Release of Information/UW Health, **8501 Excelsior Drive, Madison, WI 53717** or returned to any Access clinic.

Federal HIPAA Privacy Rules: These federal rules indicate when your protected health information may be used or disclosed without your authorization. Please see our Notice of Privacy Practices for additional information. You can find a copy of the Notice of Privacy Practices on the website at <https://accesscommunityhealthcenters.org/>.

Federal Substance Use Disorder Treatment Program Privacy (42 CFR Part 2): The federal confidentiality rules (42 CFR Part 2) that apply to substance use disorder treatment and/or referral records maintained by a Part 2 program prohibit any further disclosure of such records without the specific written consent of the individual whose information is being disclosed or as otherwise permitted by 42 CFR Part 2. However, any disclosure of information carries the potential for unauthorized re-disclosure and the information may not be protected by federal privacy standards.

Wisconsin Right to Privacy: Wisconsin law protects the confidentiality of patient healthcare records and indicates when records may be disclosed without your authorization.

General Designation for Disclosure of Substance Use Disorder Treatment Information: I understand I have made a general designation to disclose substance use disorder treatment and/or referral information to individuals or entities with which I have a treatment relationship. I may request a list of individuals or entities to which my substance use disorder information has been disclosed by contacting Director of Risk Management and Safety, 2901 West Beltline Hwy, (608) 443-5545.

Revocation: You have the right to revoke this authorization, in writing, at any time before it ends. However, your written revocation will not affect any disclosures of your medical information that the person(s) and/or organization(s) listed on the previous page of this form have already made, in reliance on this authorization, before the time you revoke it. In addition, if this authorization was obtained for the purpose of insurance coverage, your revocation may not be effective in certain circumstances where the insurer is contesting a claim. For Access Community Health Centers records, your revocation must be made in writing and addressed to: Access Community Health Centers, Director of Risk Management and Safety, 2901 West Beltline Hwy, (608) 443-5545.

Re-release: If the person(s) and/or organization(s) authorized by this form to receive your protected health information are not healthcare providers or other people who are subject to federal health privacy laws, the protected health information they receive may lose its protection under federal health privacy laws, and those people may be permitted to re-release your protected health information without your prior permission.

Right to Inspect: You have the right to inspect or copy the protected health information for whose disclosure you are authorizing, with certain exceptions provided under state and federal law. If you would like to inspect your records, contact the Patient Accounting department (for billing records) or Health Information Management department (for medical records) at 8501 Excelsior Drive, Madison, WI 53717 or (608) 263-6030, Option 3.
