

Confidence. Control.
Support.
**Diabetes
Management**
group medical visits
are here to help.

Led by Kevin Fehr, MD

**Every Thursday,
March 26 – May 7**

8:00-9:30am

Joyce & Marshall Erdman Clinic

(available in Spanish)

This is a group designed for adults who have Type 2 diabetes or prediabetes. It will offer techniques to give you more confidence in controlling your diabetes, and provide the support of others who also have diabetes.

For more information about Diabetes Management, call (608) 443-5480 and ask to speak with Cassidy.
